How about 1330? Attached is a draft RFQ with Marilyn's comments. If you get a chance, take a

look at it and add your comments so we can finalize. I need to identify a day for site walk. What is your best date? Maisel says he will be available any day we choose.

Matt,

What's your projection on developing an RFP for the adit work ? I am headed out of town now thru Monday for my son's wedding event.....

Talk with you Tuesday?
